Ms. Lori Schlesinger

Dear Lori,

Thank you so much for all that you did for our family in the sale of our mother's home. It did not go unnoticed that you extended yourself both personally and always professionally throughout the many months.

Just as important was the help you provided after the closing, and under adverse conditions I might add, to help complete the housekeeping "issue" to everyone's satisfaction.

You are a very special lady, and I cannot thank you enough.

Sincerely,

*Martin Pokorny*
